Voter Information

Qualifications

You are eligible to vote if by election day you are: 1) a citizen of the U.S.; 2) a legal resident of the State of Washington (no specific length of residency required); 3) at least 18 years of age; and 4) registered to vote.

Authorized registrars are available at all city halls, public schools, fire stations, libraries and many other public and community centers.

Precinct registration files are closed 30 days prior to a primary or general election.

However, qualified voters may register not later than 15 days prior to a primary or general election if they register with the county auditor in person. Upon registering in person, the voter then applies immediately for an absentee ballot. The voter may only vote by absentee ballot. Qualified voters also may register by mail in Washington state by requesting a form from their county auditor.

When voters move to another county or legally change their name, they must re-register before an election. If you fail to vote in a 24-month period or in the most recent presidential election, you should check with the county auditor's office before the next election to make sure your voter registration is still current. When moving within a county, voters

Voter Information

may change their registration before a voter registrar or may transfer their registration by calling the county auditor's office.

How To Vote

Three methods of voting are used in Washington state: punch card, voting machine and paper ballot. Each county uses one or a combination of these methods. If you need assistance in casting your ballot, you may ask an election worker to explain how to use the voting device or machine.

If you are a person with a disability and are unable to record your vote, you may be accompanied into the voting booth by your spouse, a close relative, any other person you choose to assist you, or two elections officials, each of a different political party, who may record your ballot as you direct.

Absentee Voting

You may mail, deliver in person or send with a member of your family, a signed request for an absentee ballot from 45 days to one day before an election. Special absentee ballots may be requested up to 90 days before an election by voters residing outside the U.S.

If you become hospitalized within five days of an election, you may request an absentee ballot by messenger with a signed statement from the hospital administrator's office verifying your date of admission and confinement.

The law now allows any voter, regardless of age or physical condition, to apply in writing to the county auditor for permanent absentee voter status.

Ongoing absentee voters receive an absentee ballot for each ensuing election for which they are entitled to vote without submitting a separate application for each election.

When To Vote

Polls are open from 7 a.m. to 8 p.m. on election day. Special elections are held on various dates throughout the year. General elections (which are preceded by a primary election) are held on the first Tuesday after the first Monday in November. You may vote in person at the precinct polling place identified on your voter

Voter Information

registration card. A presidential primary is held every four years on a date selected by the Secretary of State, so Washington voters can participate in a regional primary.

For further information on registration, voting and elections, contact the King County voter information at (206) 296-1565.

An Invitation to Visit Olympia

Washington's Capitol Building and its surrounding campus make Olympia one of the nation's most beautiful state capitals.

The Capitol Campus is a year-round tourist destination and the Legislative Building is the centerpiece. Originally completed in 1927, the Capitol was newly refurbished for the state's Centennial in 1989.

Visitors to Olympia also can enjoy the Temple of Justice where the State Supreme Court meets, the governor's mansion, the Old Capitol Building and several veterans' memorials situated on the 30-acre campus.

I hope everyone in the 41st Legislative District will take advantage of this enjoyable and educational destination located just a short distance from our area.
